3.3 2012-2013 Financial Audit – EideBailly – 8:45 a.m.	<p><i>Discussion:</i> Nora Frueh, CPA from EideBailly was present to review the 2012-2013 Fiscal Year Audit with the board. Ms. Frueh indicated there were no major issues identified or adjusting entries required. Two material weaknesses were noted and discussed. The first weakness was that the financial statements were prepared by EideBailly and audited by the same firm. Most small businesses and agencies do have this weakness noted as it is not cost effective to hire another firm to prepare the financial statements. A second material weakness was the pledges of collateral on the funds at one bank were short of the required 110% required on the last day of the fiscal year. The pledges have been increased and the amount uncollateralized was for a short period of time and not a significant amount.</p> <p><i>Motion:</i> Price, seconded by Rustvang to: <b>ACCEPT THE 2012-2013 AUDIT REPORT PRESENTED BY EIDEBAILLY.</b></p> <p><i>Roll call vote:</i> C. The increase in licensees in the last five years was noted, and the decrease in nursing program enrollment was discussed. It was indicated that the board only approves pre-licensure advanced practice programs, and some programs were reporting post-licensure program enrollment in the past which was not accurate. Editorial changes were noted that will be corrected for the final draft.</p> <p><i>Motion:</i> Schmalz, seconded by Holth to: <b>ACCEPT THE 2012-2013 ANNUAL REPORT WITH CORRECTIONS.</b></p> <p><i>Roll call vote:</i> C. Christianson, yes; J. Christianson, yes; Frank, yes; Holth, yes; Mayer, yes; Price, yes; Rustvang, yes; Schmalz, yes; Traynor, yes. 9 yes, 0 no, 0 absent. Motion carried.</p>

Meeting Minutes – November 21-22, 2013**

AGENDA	ACTION																																								
3.5 Fargo Hotel Request	<p><i>Discussion:</i> Kalanek attended a meeting in Fargo and state rates were not available for the hotel. She paid a portion of the amount over and above the state rate but requests the board discuss the issue as it is becoming more common that hotels do not offer the state rates. Members indicated they can typically get state rates in Bismarck during the week if there are no major events in the area. The board agreed if members or staff are traveling on state business they should not have to pay a portion of the hotel because of high demand for rooms in the area. It was suggested that board staff prepare a list of hotels in major cities that do offer state rates and that members and staff must check for availability of state rates before accepting a room with higher rates.</p> <p><i>Motion:</i> C. Christianson, seconded by J. Christianson to: <b>APPROVE THE FULL REIMBURSEMENT OF THE FARGO HOTEL CHARGE FOR KALANEK FOR ATTENDANCE AT THE NDNA CONVENTION &amp; CENTER FOR NURSING MEETING.</b></p> <p><i>Roll call vote:</i> C.
