

CHAPTER 54-02-11
SHORT-TERM CLINICAL EDUCATION

Section

~~54-02-11-01 — Short Term Clinical Education~~

~~**54-02-11-01. Short-term clinical education.**~~

- ~~1. Short-term clinical education. A North Dakota health care facility may conduct a program to allow nurses licensed by another jurisdiction to receive short-term clinical education that involves direct patient contact and does not exceed eighty hours.~~
- ~~2. The North Dakota health care facility that will provide short-term clinical education to persons who do not have a license to practice in North Dakota must receive written approval from the board prior to commencing the program.~~
- ~~3. The following information must be submitted to the board prior to commencing the program and every twenty-four months or as changes occur to the program:~~
 - ~~a. Syllabus that includes objectives.~~
 - ~~b. Name and qualification of the North Dakota registered nurse who is responsible for providing the clinical education and the required supervision.~~
 - ~~c. Name of nurse participating in the program and verification of current, unencumbered license from another jurisdiction.~~
 - ~~d. Verification of the limit of eighty hours of practice in a calendar year.~~
 - ~~e. Submission of a nonrefundable two-year approval fee of one hundred dollars.~~
