## ND Board of Nursing Program Survey Schedule Fiscal Year 2021-2022

### Additional requirements associated with program survey recommendations or compliance concerns:

- \* Compliance report required from the nurse administrator for the University of North Dakota, CNDP, DON, post-baccalaureate Doctor of Nursing Practice (PB-DNP) nurse anesthesia program by July 1, 2021 related to the exception to NDAC 54-03.2-04-08 Employment of Academically Unqualified Faculty, subsection 3. other circumstances as approved by the board for a period of no longer than five years. Master's prepared CRNA faculty must enroll in a doctorate program within one year of employment and the program must submit all requirements under NDAC 54-03.2-04-08.1 Faculty Developmental Program quarterly for each academically unqualified faculty member to ensure compliance with the required 85% academically prepared faculty requirement for the program.
- \* Progress report required from the nurse administrator for Concordia College, BAN Program by July 1, 2021 to provide evidence of progression with program compliance with 54-03.2-04-04. Baccalaureate or master's degree nurse education program faculty qualifications and 54-03.2-04-08. Employment of academically unqualified faculty.

Progress report required from the nurse administrator for Dakota Nursing Program Consortium, LRSC, Practical Nursing Certificate and Associate of Applied Science in Nursing Programs bi-annually for continued approval of the Nurse Apprenticeship Program Innovative Model providing evidence that desired outcomes are being met, and public protection not compromised. Progress reports must conform to the criteria set forth in the evaluation plan for the Nurse Apprenticeship Program with the first report due July 1, 2021. If a progress report indicates that students were adversely impacted by the innovation, the program will provide documentation of corrective measures undertaken and their effectiveness.
