BOARD HIGHLIGHTS

- The board discussed an e-mail concern regarding a newly advertised “cuddling” business in Bismarck/Mandan area. The concern related to the nature of the “cuddling” services and whether there was appropriate certification, training, oversight or even licensure for such services. The board reviewed and discussed the specific concerns addressed in the e-mail. No action taken.
- The Board accepted the following Nursing Education Committee recommendation:
 - Find the Minot State University Baccalaureate Degree Nursing Education Program in substantial compliance with NDAC 54-03.2. standards for Nursing Education programs; and
 - Granted full approval of the Minot State University Baccalaureate Degree Nursing Education Program until March 2021, and require a paper/interim survey in 2021.
- The Board accepted the Nursing Education Committee recommendation to approve the Lake Region State College Dakota Nursing Program request for inclusion of the completion option of Practical Nurse Certificate for the Paramedic to Nursing Bridge Program Innovative Nursing Education Project as the program has full approval from the ND Board of Nursing and the programmatic changes are in compliance with NDAC 54-03.2-06-02. Programmatic Changes.
- A letter of concern was issued to Concordia University – WI MSN Nurse Practitioner Program in Mequon, WI for placing two NP students in ND for clinical practicum experiences without out-of-state program recognition for the

2015-2016 academic year. It was noted there was a change in coordinator position in the program. The program submitted all required documents to meet recognition status for 2015-2016 and is now in compliance.

- A letter of concern was issued to Creighton University MSN Nurse Practitioner Program in Omaha, NE for placing two NP students in ND for clinical practicum experiences without out-of-state program recognition for the 2015-2016 academic year. The program submitted all required documents to meet recognition status for 2015-2016 and is now in compliance.
- A letter of concern was issued to Simmons College MSN Nurse Practitioner Program in Boston, MA, for placing a NP student in ND for clinical practicum experiences without out-of-state program recognition for the 2015-2016 academic year. It was noted there was a change in clinical placement specialist in the program. The program submitted all required documents to meet recognition status for 2015-2016 and is now in compliance.
- The Nursing Education Committee recommended the board accept the University of North Dakota Baccalaureate Degree Nursing Education Program request for approval of revised program outcomes as the program has full approval from the ND Board of Nursing and the programmatic changes are in compliance with NDAC 54-03.2-06-02. Programmatic Changes.
- The Board approved the following Nursing Education Committee recommendation:
 - Find the TrainND North East of Lake Region State College LPN Intravenous Therapy course in full compliance with requirements for the LPN Intravenous Therapy Course according to NDAC 54-05-01. standards of practice for licensed practical nurses and NDAC 54-03.2 standards for nursing education programs; and
 - Granted full approval of the TrainND North East of Lake Region State College LPN Intravenous Therapy Course until March 2020.
- The Nursing Education Committee recommended the board approve the Proposed Revisions to the Nursing Education Loan Policy.
- The Board motioned to discontinue the release of all licensee exempt data with the exception of ND Center for Nursing, Dakota Nurse Connection, North Dakota Nurse, and Federal and State agencies and direct staff to draft a new policy to reflect board discussion.
- The Board motioned to archive the document “process for use of Board of Nursing data base for research proposals.”
- The Board motioned to finally adopt the revised administrative rules NDAC chapter 54-01-03 definitions and chapter 54-05-03.1 advanced practice registered nurse section 54-05-03.1-10 authority to prescribe subject to the attorney general review as to the legality.
- The Board directed staff to publish the notice from the national transportation safety board related to the healthcare provider responsibility for education of potential risk that drugs and medical conditions can create when patients are operating a vehicle in any mode of transportation in the Dakota Nurse Connection and post on the website under news and hot topics.
